

2023-2024 HOLLISTER FFA

Requirements for Participation in Fairs and Shows for Students with Animal Projects

Exhibiting livestock at the county fair (Salinas Valley Fair, Monterey County Fair & San Benito County Fair) is a privilege due to the time, effort and money put into it by parents, advisors and community members, especially when it comes to the purchase of the livestock at the Jr. Livestock Auction. Therefore, we have standards that must be upheld by all those who wish to exhibit livestock at the fairs.

1. Students must meet the guidelines set forth in the Hollister FFA Fair contract/application and the academic and Habits of Learning/behavioral eligibility standards of Hollister High School.
2. Students will be required to participate in activities in all 4 categories listed below.
